

DENTAL CARE PROVIDERS

Here is additional information from Allison Cochran-Fennell with information about dental care for youths.

"I documented a list of dental providers below. If a Member needs an additional search they can call me and we can complete a provider search in their zip code. Our Members can also do a provider search on their own at <https://providersearch.superiorhealthplan.com/>

If there are any specific questions regarding dental care the Members can call Denta Quest at (888) 308-4766.

Please feel free to call me anytime if you have any questions or concerns."
